

Out of This World UFO Conference and Golf Tournament

Eagle Ridge Resort & Spa—Galena, Illinois
May 28th–31st

Guest Speakers:

STANTON FRIEDMAN, RICHARD DOLAN, KATHLEEN MARDEN, TED PHILLIPS, JESSE MARCEL, JR., KEVIN RANDLE, DONALD SCHMITT, AND SAM MARANTO

Our first annual “Out Of This World Golf Tournament” will kick off the event on Thursday. This is your chance to play “the General” a renown premiere course that is as much a challenge as it is beautiful.

Attendance fees vary depending upon the number of activities, days, and presentations attended. The *Lectures Only Package* for all three days is \$137. (Please go to www.illinoismufon.com for more info.)

Hotel/villa/home packages with our group rate vary depending upon occupancy, location, and range from \$161.19 per night and up. (Please go to www.illinoismufon.com for more info.)

If you're not attending our amateur tournament, venture into town. The shuttle leaves the resort at 11:00 A.M. and goes into historic Galena with its charming array of fine boutiques, galleries, eateries. You can visit the home of President Ulysses S. Grant or attend the Mystery & History Night Tour with a local ghost hunter and historian. And an Astronomy & Sky Watch Night is planned for Friday.

Dobie Maxwell, professional comedian and radio personality, will add levity during many of our events.

Lake Galena offers some great fishing and you can rent paddle boats and canoes or go on a nature walk. For gambling fun, Diamond Joe Casino is just over the Mississippi in Dubuque.

Out of This World UFO Conference and Golf Tournament Speakers and Schedule

Stanton T. Friedman

An advanced nuclear and space systems physicist, Mr. Friedman has spoken at more than 600 colleges and over 100 professional groups in all 50 states and 16 other countries, and has appeared on hundreds of TV and radio programs. He is a world-renown UFO researcher and author of numerous books on ufology.

Richard Dolan

A gifted historian, Richard is considered a foremost UFO researcher and is the author of *UFOs and the National Security State*. He studied at Oxford University before receiving his graduate degree in history and lectures around the country and in the media on the general topic of UFOs.

Kathleen Marden

Kathleen, a certified hypnotherapist and educator, was a close relative of Betty and Barney Hill and authored *Captured! The Betty and Barney Hill UFO Experience*, coauthored with nuclear physicist/scientific ufologist Stanton Friedman. She lectures and is frequently seen on TV as an expert on UFO abductions.

Ted Phillips

A co-worker and close friend of Dr. J. Allen Hynek, Ted is a physical evidence researcher who investigated over 600 suspected UFO landings. He has met with representatives at the UN and appeared on numerous TV and radio programs and documentaries. Ted is the director of the Center for Physical Trace Research.

Jesse Marcel, Jr.

Jesse retired as a Colonel from the USAF after serving for 38 years as a flight surgeon. He is one of the few witnesses to the wreckage of the Roswell Incident and is often a guest on TV and radio programs on the subjects of UFOs and his father, Captain Jesse Marcel, stationed at Roswell AFB at the time of the UFO crash.

Don Schmitt

Author of the best-seller, *UFO Crash at Roswell*, Don has continued his investigations into the incident, uncovering new evidence and coverups. He is also a frequent speaker in documentaries and TV programs and on the radio. He is a regular lecturer at Illinois MUFON conferences.

Kevin Randle

Kevin was a former Army pilot and USAF intelligence officer. He has a PhD in psychology and is an author of over 100 books including many books on the UFO phenomenon. He appears as a guest on TV programs and documentaries and hosts his own UFO program on the radio.

Sam Maranto

Sam is the State Director of Illinois MUFON and the leading researcher into the Tinley Park Lights in Illinois. He has appeared numerous times on *UFO Hunters* and other TV documentaries and is heard discussing the subject of UFOs on many radio stations both statewide and nationally.
